# How to Find Affordable Health Insurance

Healthcare.gov

Healthcare.gov is a US government website dedicated to helping you find affordable health insurance. Simply scan the QR code and create an account to view what options are available in your area. This website can help you navigate many ways to obtain affordable health insurance.

Many Options

People find affordable health insurance in many ways and at many different places. Remember to compare quotes and shop around before committing to one plan. Here are some examples on where you may find the most affordable option for you and your family.

- Healthcare.gov
- Your workplace
- Your spouse's workplace
- Medicare*
- Medicaid*
- Independent agent/broker*

*Healthcare.gov can help guide you to these recourses.

Common Terms

- Special Enrollment Period - times of the year or life events that allow you to enroll at any time. These include getting married, moving, losing coverage, or having a baby.
- Medicaid and (CHIP) Children's Health Insurance Program - government programs that provides free or low-cost health coverage to millions of low-income individuals, families, the elderly, and more.
