

# Why Partner With Med Ed Materials?

Organizations that partner  
with us get...

1

## Featured on our Website

Our website has a dedicated "Partners" tab, which provides information on the clinics and organizations we partner with.

2

## Featured on our Social Media

We announce our new partnerships on our Instagram, which can provide exposure for your organization.

3

## Poster Requests

Request posters on topics that would provide information tailored to your patient population.
